AHS STANDARD SYSTEM OF AWARDS

Judging of each cultivar in each class shall be done by the American Hemerocallis Society system of awards.

One First (Blue) which must score 90 or above.

One Second (Red) which must score 85 or above.

One Third (Yellow) which must score 80 or above.

For registered cultivars only, only one blue, red and yellow may be awarded in a given name class. For seedlings, each exhibit in the section is judged on its own merit and is thus an award-eligible class.

General Show Rules:

1. Exhibition is open to all daylily growers. Horticultural entries must have been grown, groomed and entered by exhibitor.
2. Only AHS members are eligible to win AHS rosettes and other society sponsored awards. However they may be new members who join at the show.
3. All entries will be received (acknowledged by Classification Committee) between the hours of 8:00 a.m. and 10:45 a.m. on 05/03/2008. Late entries arriving after 10:45 a.m. (acknowledged by Classifications) may be entered FOR DISPLAY ONLY and will not be judged. Entries will not be placed in the display area after 11:00 a.m. No entry will be removed before 4:00 p.m. Exhibits not removed by 4:30 p.m. will be discarded. Ribbon and awards, if not claimed at this time, will be made available at a later date upon request.
4. Uniform containers and official AHS entry tags will be furnished by the club.
5. Only members of the Placement Committee are permitted to place entries in the display area.
6. Judging will begin promptly at 11:00 a.m. Only Judges, Clerks, General Show Chairman, Judges Chair, Classification Chair and the Photographer will be allowed in the exhibition area during judging.
7. Show officials and the Bay Area Daylily Society will exercise all precautions for protecting exhibits but neither they, nor the First Baptist Church of St. Petersburg will be responsible for any loss or damage that may occur.

Horticulture Rules:

1. All horticulture exhibits eligible for AHS rosettes and medals must be entered on-scape.
2. Registered cultivars are to be entered on scapes whose overall height does not exceed 36 inches.
3. All seedlings (including pre-registered cultivars) shall be severed as near the base as possible regardless of height. A seedling having won the AHS rosette in any other show is not eligible.
4. Entry tags for seedlings must be marked with the word SEEDLING in the space for cultivar name. Names, numbers or any other identifying marks are not permitted on the visible portion of the folded tag.
5. Eligibility for exhibitors in the Youth sections shall continue through the end of the calendar year following the youth's eighteenth birthday.
6. Cultivars listed on the official spider list must be exhibited in Section 6 unless they are: (1) a Popularity Poll exhibit, (2) part of a local collection, (3) a Youth Section exhibit, or (4) registered as a multiform cultivar, for example, as a Double/Spider, Double/Spider/Unusual Form, Double/Spider/Polytepal, Spider/Unusual Form/Polytepal, or Spider/Polytepal..
7. Cultivars whose names are not listed in the AHS checklists or supplements may not be exhibited in any Division, Section, Class or Group where Registered cultivars are specified.
8. Popularity Poll cultivars, must be exhibited only in Section 9.
9. Unusual Form cultivars, registered as such, must be entered in Section 7, and only those listed on the official UF list may be entered in Section 7 unless they are: (1) a Popularity Poll exhibit, (2) part of a local collection, (3) a Youth Section exhibit, or (4) registered as a multiform cultivar, for example, as a Spider/Unusual Form cultivar.

Judging Standards for Accredited Shows:

1. All judging of an accredited show will employ the AHS standards.
2. All horticulture sections must be judged by AHS Exhibition Judges.
3. Each panel of judges shall be the final authority for each section and group in which it judges.
4. Only the Classification Chairman has the authority to disqualify any entry which is damaged or does not conform to the schedule.
5. The appropriate AHS scale of points will be used for: (1) Registered cultivars on-scape, (2) Seedlings on-scape and (3) Individual flowers of registered cultivars off-scape.
6. The AHS standard system of awards will be used.
7. All scapes receiving the AHS rosettes or purple ribbons must score 95 or above by the AHS scale of points.
8. Registered cultivars will be classified as registered, by size, and by form; they will be grouped alphabetically within each section. No distinction is to be made between the classification of diploids and tetraploids.
9. Each registered cultivar shall constitute a name class. A single entry may be given an award if the judges consider it a superior exhibit. An exhibitor may have only one entry per name class.
10. Each seedling or pre-registered cultivar (a pre-registered cultivar is considered a seedling) shall constitute a class to be judged on individual merit. Each entry may be given an award if the judges consider it a superior exhibit.
11. If Division I, AHS rosette eligible sections 1-10, are subdivided or judged by more than one panel of judges, the purple awards must be point scored to determine a single winner since there is only one AHS rosette for each of these sections.
